X Jet launches its Seven Star Club at Abu Dhabi's Al Bateen Airport, UAE

Centennial Airport, October 19, 2009 - X Jet World announced today plans to expand their revolutionary business model in the Middle East North Africa (MENA) region. X Jet world has committed to building its world-class aviation campus at Al Bateen Airport in Abu Dhabi.

The alignment with Al Bateen Airport will bring together the world's only true providers of Seven Star Services in the aviation industry. Ali Al Naqbi, founding Chairman of the Middle East Business Aviation Association (MEBAA) and Vice President at Presidential Flight said today, "I was so impressed with what I saw at X Jet's flagship facility at Centennial Airport. I knew immediately that Al Bateen is the perfect opportunity to launch X Jet in the MENA region." Al Naqbi has partnered with X Jet as an investor and serves on the Global Board of Directors. "I look forward to delivering X Jet's Seven Star Service in the MENA region," adds Al Naqbi.

"We are honored to have Mr. Ali Al Naqbi partner with X Jet and lead our expansion opportunities in the Middle East. Mr. Naqbi's vision, leadership and drive continue to transform Business Aviation in the Middle East and we are excited about working together to bring the only proven Seven Star Service provider to the region." Josh Stewart, President & CEO X Jet.

Located just five kilometers southwest of the Abu Dhabi business district Al Bateen Airport is very attractive for businessmen and very high net worth individuals. The airport is a boutique exclusive business jet facility; strategically situated to accommodate the region's growing business jet industry and worldwide operators. ADAC is investing more than \$54.5 million in additional facilities at the airport, which is set to be developed as an exclusive corporate jet facility offering seven-star services to all clients.

Chairman, ADAC, Khalifa bin Mazrouei said: "Our plans for Al Bateen Airport, Abu Dhabi will put it firmly at the center of the incredible growth of business aviation services in the region. It is the first airport in the Middle East to be dedicated solely to business jets, part of the Abu Dhabi government's strategy to develop the Emirate's economy over the coming years and to take advantage of upcoming industry developments".
